

Local Preparedness Planning Group

The local planning group for Carroll County this month will be January 15th at 11:30 at Charlie's restaurant in Carroll. Lunch will be on us and Carl Wilburn will give a short presentation about GIS in Carroll County. We are going to be planning an exercise with several response agencies along with a private business and will talk about dates and planning needs at this meeting. I have yet to meet many of you so I hope that we have a great turnout on the 15th.

Thanks,

Sara Nielsen
