PRESS RELEASE

April 2, 2018

PERMIT TO CARRY WEAPONS CLASS

The Carroll County Sheriff's Office announces that we will be offering FREE weapon's classes which will provide you with the certification that you need to acquire your permit to carry, which also acts as a permit to purchase. This class is available only to residents of CARROLL COUNTY; you will need to present a current driver's license or ID card. With the steady increase in violence and all the uncertainty and negativity by some blindly pointing fingers at our 2nd Amendment Rights the demand for permits to carry is sure to increase. As a pro 2nd Amendment Sheriff I want to help the residents of Carroll County obtain the finest training available and I consider this a public service. Also I feel it is much more beneficial to receive this type of interactive training versus watching a class on a computer with no chance for student-instructor interaction. Please be aware if you already have a current permit to carry you DON'T need to take a refresher course unless you feel it would be of value.

Our first class will be held on Saturday, April 28, 2018 and 10:00 AM at the Carroll County Courthouse on the lower level. Classes will be offered monthly and any Carroll County resident who wishes to participate should call 712-792-4393 to inquire about class dates and times. All classes will be held at the Carroll County Courthouse. We will also be posting the class schedule on our Facebook Page and also on Carroll Broadcasting.
